- I chose to make a SpongeBob cartoon.
- The story about friendship day.(I made up the story)
- The Tools: - libraries: turtle, pygame(to play music)
  - music: I used a website to convert speech to voice. Source
  https://uberduck.ai/#voice=spongebob-s1&mode=tts-basic
  -images: I used adobe illustrator to draw this image

and the rest of images I just edited.

Please, put the file on the desktop because there are paths that must be correct in order for it to work.
